MARCH 2010 NEWSLETTER

WOW! DOES TiME FLY... It's been one year since we have become your Authorized Janome Dealer. In this past year we have expanded well beyond my expectations. Brian and I are very much enjoying selling and servicing a quality product and teaching all you Janome owners what a GREAT sewing machine you have. Brian has just returned from his third Service Training Seminar and is without a doubt becoming the local Janome Repair Guy. We are also connected and love working with the Lake George Wingate Inn where we hosted two quilt retreats in 2009 and are adding a third one this year. We have also, just recently partnered with the ADiRONDACK QUiLT CAMP and in June 2010 hope to see you in beautiful Long Lake, NY. Brochure is available on line at www.AdirondackQuiltCamp.com.

SARATOGA SEWiNG iS MOViNG... On March 1, 2010 we will close our Saratoga Springs location and concentrate solely on our Glens Falls shop. Brian will be servicing all your machines in Glens Falls and will be right downstairs if any questions arise that only your local Janome Repair Guy can answer. I am so looking forward to being back in my shop where I always enjoy visiting and seeing all my friends. Although both shops have been successful, I want to concentrate all my efforts on expanding my Glens Falls location. I want to be a part of my shop again, I have been so busy with the paperwork that I have truly missed being part of its everyday heartbeat. Stop by anytime just to say hello, I promise, you will always be welcomed with a smile and a warm greeting from myself or any one of the great ladies that I am proud to say work with me.
