Notes

Quilting is done on a first come first service basis.

If you need your quilt completed for a special occasion please call ahead to schedule.

If you need your quilt completed before present turnaround time & you did not call ahead to schedule

an additional fee may be added to your quilting bill.

If your quilt or backing has a top please clearly identify with paper or tape marked TOP and attached to each.

Quilts should be picked up within 30 days of completion.

Any questions concerning your completed quilt must be addressed within 30 days of receipt of quilt.

If you supply batting and/or backing please keep top, batting and backing separate.

BOTH BATTING & BACKING MUST BE AT LEAST 4" LARGER ON ALL SIDES.

BE SURE BACKING IS SQUARED OFF AND EVEN

(ex: If quilt top is 81"x96" backing after squared off must be at least 89"x104")

Every effort will be made to ensure that quilt is as wrinkle free as piecing allows.

BORDERS THAT DO NOT LAY FLAT WILL CAUSE TUCKS, PLEATS AND FULLNESS AROUND THE EDGE OF YOUR COMPLETED QUILT
